Why Take the ACT Plus Writing

The ACT Plus Writing is a curriculum-based examination that matches well with the education standards in your state. Thus, taking the ACT Plus Writing can provide helpful information for **all** students, not just those who are planning to attend college.

Taking the ACT® tests can give every student a measure of his/her academic strengths and weaknesses for future use. Thus, you can use your results to recognize your academic strengths and to analyze how to address areas where you need to improve, whether you intend to follow a college path or to enter the workplace after high school.

If you are not considering college now, you may decide to make college part of your plans later. Your ACT results can help you begin the career exploration and planning process. In the modern workplace, lifelong learning is a fact of life, and it is likely that nearly everyone who graduates from high school will eventually have to continue their education to achieve their career or life goals.

The ACT Plus Writing includes four multiple-choice tests in English, mathematics, reading, and science. The tests measure your educational development in those areas and are based on what you have learned—they are not aptitude or IQ tests.

The ACT Plus Writing also includes a Writing Test, for which you will write an essay in English in response to a prompt that defines an issue and presents two opposing points of view on that issue. The ACT Writing Test measures the writing skills you have acquired in your high school English courses and complements the multiple-choice ACT English Test. Many colleges use ACT Writing Test results as a guide for placing incoming students into first-year composition courses.

What You Need to Know to Take the ACT Plus Writing

General Information

This booklet gives the information you need to take the ACT Plus Writing. Before the test date, you will complete pages 1, 2, 3, and 10 of your State Testing Answer Folder during a designated class period at school. On your test date, you will record your responses to the tests starting on page 4 of your answer folder. After testing is completed, your Test Supervisor will send your answer folder to us. Score reports will be mailed about four to five weeks after we receive your answer folder.

Waiver of Retest Restriction

We have waived the normal 60-day retest restriction for State Testing. You may register to take the tests on any regularly scheduled national test date and may also test on **one** of the state testing dates.

Note: If you complete testing on both the initial and makeup state test dates, the makeup scores will be cancelled automatically.

Test Accommodations

If you currently receive test accommodations in school as part of your Individualized Education Program (IEP) or a Section 504 Plan, ask your counselor whether test accommodations have been requested for you.

What Test Security Procedures Apply

Our test security procedures are designed to ensure that examinees have an equal opportunity to demonstrate their academic achievement and skills, that examinees who do their own work are not unfairly disadvantaged by examinees who do not, and that scores reported for each examinee are valid. In addition to the information in this section, see “Remedies in Response to ACT Errors or Testing Disruptions/Compromises” (page 18).

Prohibited Behavior at the Test Site

Examinees will be dismissed and their answer documents will not be scored if they are found:

- Filling in or altering ovals or continuing to write the essay after time has been called on each test
- Looking back at a test on which time has already been called
- Looking ahead in the test booklet
- Looking at another examinee's test booklet or answer document
- Giving or receiving assistance
- Using a prohibited calculator

- Using a calculator on any test other than the Mathematics Test
- Sharing a calculator with another examinee
- Bringing a cell phone, media player, or any other electronic device into the test room
- Using any device to share or exchange information at any time during testing or during the breaks
- Attempting to remove test materials, including test questions or answers, from the test room by any means
- Using highlight pens, colored pens or pencils, scratch paper, notes, dictionaries, or other testing aids not approved by ACT
- Not following instructions or abiding by the rules of the test center
- Exhibiting confrontational, threatening, or unruly behavior
- Creating a disturbance or allowing an alarm or phone to sound in the test room

Cancellation of Scores by ACT

ACT reserves the right to cancel test scores when there is reason to believe the scores are invalid. Cases of testing irregularities—such as falsification of one's

identity, impersonation of another examinee (surrogate testing), unusual similarities in the answers of examinees at the same test center, or other indicators that the test scores may not accurately reflect the examinee's level of educational development—may result in the cancellation of test scores. When ACT decides to cancel test scores, it notifies the examinee before taking that action (except in cases of testing compromises explained on page 18 of this booklet). The notice includes information about the options available regarding the planned score cancellation, including procedures for appealing the cancellation decision. In all instances, the final and exclusive remedy available to examinees who want to appeal or otherwise challenge a decision by ACT to cancel their test scores shall be binding arbitration through written submissions to the Dallas, Texas, office of the American Arbitration Association. The issue for arbitration shall be whether ACT acted reasonably and in good faith in deciding to cancel the scores.

Checklist for Taking the ACT Plus Writing

Before Test Day

- ✓ Prepare for the tests by reviewing your free copy of *Preparing for the ACT*. This booklet includes information about the tests, test-taking strategies, and complete practice tests for both the multiple-choice tests and the ACT Writing Test. You will also receive instructions on how to score your practice tests, including the same scoring guidelines used by the readers who will score your essay.
- ✓ Complete pages 1, 2, 3, and 10 of the answer folder during a designated class period at school. (See instructions beginning on page 5 of this booklet.) Do not return the answer folder to ACT. Follow instructions from your school.
- ✓ If you do not have acceptable photo identification and the testing staff do not know you personally, ask a school official for a school letter of identification. (See information at right.)
- ✓ Review the information about permitted and prohibited calculators in the shaded area below. It is your responsibility to bring a permitted calculator. If you use a prohibited calculator, you will be dismissed and your answer document will not be scored.

IMPORTANT:

Read the information in this booklet carefully. Keep this booklet for future reference. Do not return it to ACT or the school.

On Test Day

- ✓ Report for testing at the time designated by your school. You will not be admitted if you are late.
- ✓ Take the following items with you:
 - Acceptable Identification. Unless the testing staff can personally recognize you, **you will not be admitted to test without acceptable identification.**
 - Sharpened soft lead No. 2 pencils with good erasers (no mechanical pencils or ink pens).
 - A watch, to pace yourself. The supervisor will announce when 5 minutes remain on each test.
 - A permitted calculator.
- ✓ At the Test Site
 - Testing begins after all examinees are checked in and continues for about 4 hours. Breaks are scheduled after the first two tests and before the Writing Test.
 - The test security procedures on page 3 apply to all test sessions.
 - The ACT is available only in English.
 - You may NOT take any of the following items into the test room:
 - Food or drink (including water)
 - Books, dictionaries, notes, scratch paper, or other aids
 - Highlighters, colored pens or pencils, or correction fluid
 - Any electronic device other than a permitted calculator (examples include timer, beeper, cell phone, media player, headphones, PDA, camera)
 - Reading material
 - Tobacco in any form

Identification Required

Unless the testing staff can personally recognize you, **ACCEPTABLE IDENTIFICATION must be presented at the time of check-in or you will not be allowed to test.** The ID you present must be *original*, not a photocopy or reproduction. Present ONE of the following. If it's not on this list, it's not acceptable, and you will not be admitted.

- **Current (not expired) Photo ID:** Must be issued by your school, employer, or city/state/federal government (such as driver's license or passport) on which BOTH your name and **current photograph** appear.
- **Published Individual Photo:** Recognizable **individual** photograph of you in a recent (within the last two years) publication, such as a newspaper or school yearbook, with your first and last names in the caption. All but yearbooks will be sent to us for our files.
- **School Letter of Identification:** Ask a school official for an identification letter on **original school letterhead**. The letter must include your name and *physical description* including age, gender, height, weight, race, and hair and eye color **or** an attached recognizable recent photograph with school seal or official's signature across a portion of the photo. If school letterhead is computer-generated or photocopied, a school seal is required. You must personally sign the letter **in the presence of** the school official (who may **not** be your relative), and that official must also personally sign the letter. You will be required to sign this letter again at the test site. Testing staff will send it to us for our files.

Use of Calculators on the ACT Mathematics Test

It is your responsibility to bring a permitted calculator. We regularly update information about which calculators are **prohibited**. To be certain your calculator will be permitted on test day, visit www.actstudent.org or call 800/498-6481 for a recorded message. If you use a prohibited calculator, you will be dismissed and your answer document will not be scored.

You may use a calculator on the ACT Mathematics Test (but not on any of the other tests in the ACT). You are **not required** to use a calculator. All the problems can be solved without a calculator. If you regularly use a calculator in your mathematics work, you may wish to use one you are familiar with as you take the Mathematics Test. Using a more powerful, but unfamiliar, calculator is not likely to give you an advantage over using the kind you normally use.

You may use any four-function, scientific, or graphing calculator, unless it has features described in the **Prohibited** list. For models on the **Permitted with Modification** list, you will be required to modify some of the calculator's features.

Prohibited Calculators

The following types of calculators are **prohibited**:

- calculators with built-in computer algebra systems—*Prohibited calculators in this category include:*
 - Texas Instruments: All model numbers that begin with **TI-89** or **TI-92**
 - Hewlett-Packard: **hp 48GII** and all model numbers that begin with **hp 40G**, **hp 49G**, or **hp 50G**
 - Casio: **Algebra fx 2.0**, **ClassPad 300**, and all model numbers that begin with **CFX-9970G**
- pocket organizers
- handheld or laptop computers
- electronic writing pads or pen-input devices—The Sharp EL 9600 is permitted.
- calculators built into cell phones or other electronic communication devices
- calculators with a typewriter keypad (keys in QWERTY format)—*Calculators with letter keys not in QWERTY format are permitted.*

Calculators Permitted with Modification

The following types of calculators are **permitted, but only after they are modified as noted**:

- calculators with paper tape—*Remove the tape.*
- calculators that make noise—*Turn off the sound.*

- calculators that can communicate wirelessly with other calculators—*Completely cover the infrared data port with heavy opaque material, such as duct tape or electrician's tape.*
- calculators that have power cords—*Remove all power/electrical cords.*

On Test Day

Be sure your calculator is working and has reliable batteries. You may bring a spare calculator and extra batteries to the test center. Testing staff will **not** supply batteries or calculators. You will **not** be allowed to share calculators during testing.

Testing staff will check your calculator to verify it is a permitted type, and they will monitor your use of your calculator to ensure that you:

- use it only during the Mathematics Test;
- use your backup calculator only if your primary calculator fails;
- do not share your calculator; and
- do not store test materials in your calculator's memory.

If your calculator has characters one inch high or larger, or a raised display, testing staff may seat you where no other examinee can see your calculator.

How to Complete Your Answer Folder

The information you provide on your answer folder becomes part of your permanent ACT record.

Follow the instructions in this booklet and on the folder. Errors will delay or prevent us from preparing reports for you, your high school, or the colleges and agencies you indicate.

Because the folder will be processed by machine, be sure to:

- use a soft lead No. 2 pencil and print legibly (no mechanical pencils or ink pens)
- fill in ONE oval under each letter or number you enter
- fill in the blank rectangles below each empty box
- erase any errors cleanly without smudging

Begin on Page 1 of Your Answer Folder.

Even if a bar-code label is affixed to page 10 of your answer folder, you must complete the information in Blocks A and B on page 1 and Blocks N, O, P, Q, and R on page 10 of your answer folder. All of these fields must be completed accurately or your score report will be undeliverable.

A

Name and Mailing Address. Print your name and current mailing address.

B

Name. This is a mandatory field. Enter the name you want to have reported on your score reports, normally your legal name. **It is very important that you enter your name exactly the same way each time you apply for testing, complete your answer document, or request ACT services.** If there is not enough space for your full name, enter as much as possible.

C

Social Security Number. Provide a U.S. Social Security number if you have one. This helps ensure that your scores are correctly attributed to you and not another student with similar identifying information. Your Social Security number will be included in your record and used in accordance with our privacy policy. Colleges also frequently use Social Security numbers for matching scores to college applications. If you do not wish to provide your Social Security number, or do not have one, leave this field blank. If you do not provide your SSN, we will assign an ACT ID number and your scores will be reported with that number.

D

Date of Birth. Enter the month, day, and last two digits of the year in which you were born. Enter a zero for any blank. Do not enter today's date.

E

Gender. Fill in the appropriate oval.

F

Racial/ethnic Background. ACT wants its tests to be fair and unbiased. Research based on responses to this question will help ACT assess its tests and services. Your response will be released to the colleges you specify that request we include it.

G

Citizenship Status. Fill in the appropriate oval.

H

Telephone. Enter your telephone area code and number. If you do not have a telephone, leave this block blank.

I and J

These blocks have been completed for you. Do not alter even if incorrect.

K

Leave blank. Do not alter if completed.

L

The ACT Educational Opportunity Service (EOS) is a FREE college and scholarship information service for students who take the ACT. EOS permits you to receive important information about educational, scholarship, career, and financial aid opportunities from colleges, governmental agencies, ACT, and other organizations. If you wish to participate, fill in the "Yes" oval.

By responding "Yes," you authorize ACT to send information about you (name, address, gender, high school, racial/ethnic background, and intended college major) to colleges and organizations so they may contact you about programs that you may be interested in exploring. (Your test scores and Social Security number are not reported through EOS.) All organizations that receive this information have agreed to use it only for this purpose.

NOTE: Because your test has been funded by your state education agency, that agency will receive your record even if you respond "No" or leave this item blank.

M

College Planning/Reporting Scores. How you complete Block M depends on whether you want your State Testing scores sent to colleges or scholarship agencies. You can ask us to send scores to up to four colleges now. Or, if you are unsure of your college plans, you can elect not to have us send your scores to any colleges at this time. However, your high school and the state education agency will receive your scores whether you complete Block M or not.

If you want to send your scores to colleges or scholarship agencies, the code list begins on page 11. Find the code for each of your choices. Enter the codes (up to 4) **in order of preference.** Think carefully about your choices. **We cannot make changes in or additions to Block M after you submit your folder.**

If you currently do **not** plan to go to college, **skip** the code choice blocks and fill in the **first** oval under "Non-reporting Option."

If you are considering college, but do **not** want us to report your scores to any institutions at this time, fill in the **second** oval under "Non-reporting Option."

Requests for more than 4 codes and all later requests for reports (to any recipient) must be submitted and paid for as ASRs; see "Additional Score Reports" on page 18.

Members of Congress. To send a report to a member of Congress as part of your application for appointment to a service academy, enter the code for that senator or representative (listed on page 17) in Block M.

Unlisted Institutions. To send a report to a college that is not listed, enter code 7000. One sealed report will be sent to you for each 7000 code entered; you may then forward the report to the unlisted college. **Code 7000 reports are NOT accepted by colleges listed with their own code numbers.**

Turn Your Answer Folder to Page 10.

N

Mailing Address. This is a mandatory field. Enter each part of the address where you are certain to receive mail from us. **You must leave a space between the parts of your street address.** Use the slash "/" to designate fractions (e.g., $\frac{1}{2}$, $\frac{3}{4}$). If you live in an apartment, enter the apartment number after the street name.

For Block Q, indicate whether you are a legal resident of the state you entered in Block P by filling in the appropriate oval. Enter your ZIP code in Block R.

S

Local Student ID Number. If you are instructed to enter an ID number of up to 10 digits, enter it here and fill in the matching ovals. This number will be used to help identify your test record. If you receive no instructions, leave this block blank.

Directions

Indicate how much you would like doing each of the activities listed below. Mark a response to an activity even if you are uncertain how you feel about it. Consider whether you would like or dislike an activity rather than whether you think you have the ability to do it.

For EACH question, choose one of the answers from the scale below and mark the corresponding letter on page 2 of your answer folder. Try to answer like or dislike to as many questions as possible.

ACT Student Profile Section

Mark your answers on page 3 of your answer folder.

The Student Profile Section (SPS) is designed to help you think about your future education and to help colleges in their planning.

Be sure the information you provide is as accurate as possible, because it will be used in various ways. For example, a college may use your ACT information as your application for admission; the information would then become part of your basic record at the college. Some scholarship programs may need your answers to certain SPS questions to consider you for an award.

Although you are NOT required to complete this section and you may skip any question that you do not wish to answer, we can provide colleges with your most complete profile only if you answer every question each time you test.

Note: Some items are blanked out on the folder and are intentionally not listed below. Skip those items.

Special Note: If you do NOT plan to go to college, you may skip many of the items in this section.

If that is so, you may choose a general area—for example, 410 (Agriculture Sciences & Technologies, General), 620 (Engineering [pre-engineering], General), 920 (Visual & Performing Arts, General). If you are completely undecided, mark 400.

When and How Results Are Reported

Scores by Web

Viewing your scores on the Web before you receive your official score report is **not** available through State Testing. In the summer, after you receive your score report, we will add your record to our database and you will be able to create a student Web account at that time to see your scores for future reporting.

Reporting Schedule

Reports are normally *mailed 4–5 weeks* after we receive your answer folder. Initially, we send score reports only to you, your high school, and the colleges and scholarships you indicate by code on your answer folder.

Your state education agency will also receive all State Testing records.

- **Student Report**—Your report will be mailed to the address you provide on your answer folder. An interpretive booklet, *Using Your ACT Results*, will be included with your report.
- **High School Report**—At the same time that your report is mailed to you, a report will be mailed to the director of counseling at your high school.
- **College Reports**—Each college and scholarship for which you provide a valid code on your answer folder will receive a report. Each institution requests the frequency of reporting, at least every two weeks.

Test Location

State Testing scores are reported as “State” under “Test Location” on the reports sent to high schools and colleges. State Testing scores will be accepted by most postsecondary institutions and agencies.

Automatic Reporting of Scores

State scholarship programs often use ACT scores as one source of information for recognizing student achievement. If you have a mailing address in a state to which we provide scholarship information (e.g., Illinois or Michigan), your test record will be sent to that state program automatically.

One Test Date per Report

ACT score reports include only the results for the current test date. Because you control the release of your scores, results from previous test dates are not included.

Confidentiality of Scores

To keep your scores confidential, they will not be given to anyone by telephone, fax, or e-mail.

ACT’s general policy on the release of test scores and other personally identifiable information you provide is that we will disclose such information only with your consent. However, there are certain exceptions to this general policy—for example, we report test scores to selected states for consideration for state scholarships. For a complete statement of our policies with respect to the use of your information, please review *Policies and Guidelines for the Uses of Data from ACT-Owned Assessments*, which can be downloaded at www.actstudent.org/datause.html.

State Testing Record

Because your record is used to document participation in State Testing, you may not direct us to drop your state record from our files.

Remedies in Response to ACT Errors or Testing Disruptions/Compromises

ACT takes steps that are intended to ensure that tests and answer documents are properly handled and scored. In the unlikely event that an error occurs in handling, shipping, processing, or scoring answer documents, or reporting scores, ACT will correct the error, if possible, or permit affected examinee(s) to retest if a makeup date is available. **These remedies are the exclusive remedies available to examinees for errors in handling, shipping, or scoring answer documents; or in reporting scores.**

ACT also takes steps that are intended to ensure standardized test administration. If events occur that cause testing at a test center to be cancelled or interrupted, involve a mistiming on any part of the test, result in a deviation from standard testing procedures, raise concerns about possible advance access to test content by any examinee(s), or otherwise disrupt or compromise the testing process, ACT will examine the situation and determine whether action is warranted, including nonscoring of answer documents or cancellation of scores. If ACT, in its sole discretion, determines action is warranted, each examinee (and the examinee’s school) will be notified of the action taken, including the nonscoring of answer documents or the cancellation of scores if the answer documents have been scored. Examinees have the option of taking the ACT Plus Writing again on a national test date, usually at their own expense, if they wish to receive scores. **These remedies are the exclusive remedies available to examinees affected by disruptions or compromises in the testing process.**

How to Request Additional Score Reports (ASRs)

Do **not** include requests for more than four college reports with your answer folder. Requests for reports to more than four college codes—and all requests after testing for reports to any recipient (e.g., high school, college)—must be submitted and paid for as ASRs.

ASR Services Available

We will report **ONLY** the results for the test date you specify on your request by month and year (one test date per report). If you test more than once in the same month, you must also specify the type of test (e.g., National, State). The following services are available:

- **Regular Report** (\$8.50 per report)—Normally processed within one week *after* receipt of request.
- **Priority Report** (\$13.50 per report)—Normally processed one working day *after* receipt of request and usually delivered **3–4** business days later.

Regular reports are included in the next reporting cycle requested by the institution, at least every two weeks. Priority reports can be sent only to institutions within the U.S. Colleges that receive scores only electronically might not review priority reports.

If you tested **before** September 2005, an additional lookup fee applies for reports of those scores.

Ordering ASRs

Wait until **after** you test to submit a request. **Your scores are available for additional reporting only after they have been added to the computer files.** See “Reporting Schedule” on this page. Once you submit your request, by any method, it cannot be changed or cancelled.

- **Online**—Create a student Web account and complete an ASR request at www.actstudent.org (credit card required).
- **By Mail**—Download and print the ASR request form from www.actstudent.org. Complete and mail it with your payment to ACT Records at the address on the form.
- **By Phone**—Request up to eight priority reports (**no** regular reports) from ACT Records, 319/337-1313. An additional **\$12.00** service fee is charged for each call. You must pay by credit card or electronic checking.
